Candidates
 The candidates that you choose should be able to complete a First Aid at Work course. This means that they should be physically able to cope with all emergency situations and should possess adequate communication skills. They should be a reliable member of staff who could easily leave their normal duties to attend to an emergency. If they do not meet the above criteria they will not be able to achieve the standard required for a First Aid at Work certificate.

I understand that the candidate chosen should be suitable for the First Aid at Work course (as above) and that I am bound by the BHC terms and conditions of booking. See www.bostockhealthcare.com
